My Kind, Friend. -

30

Your letter I received but a short time since; - it having been unaccountably delayed. - I have only to say in answer, that I gladly accept all the arrangements, which you have, or may, make for me. - I will be in Boston, Friday Evening, the 4<sup>th</sup>.

In regard to speaking in Music-Hall, I shall endeavor to do my duty, tho' I fear sadly, the doing will not be worthy the place.

Believe me, if my pen is poor in thanks, for your exceeding kindness, my heart is not.

Truly Yours.

Anna. E. Dickinson.
